### Report of FICPI meeting with WIPO

#### On 30 August 2013 in Geneva, Switzerland

FICPI meets WIPO - August 30, 2013

WIPO initiatives shape up our IP environment and it is important for FICPI to maintain a close relationship with this Agency and its top management. Read [here](#) about WIPO initiatives in this brief report about FICPI recent official visit to Geneva. WIPO Director General and senior officers presented to a FICPI delegation the status and perspectives of WIPO activities regarding patents, trade marks, designs, as well as other types of IP rights. The meeting further provided a good opportunity for FICPI to expose its views on a number of issues. Areas of future cooperation between FICPI and WIPO have also been identified.
