R. Danny Huntington is a partner with Rothwell, Figg, Ernst & Manbeck, PC in Washington, D.C. He is involved in all phases of intellectual property law, including United States and foreign patent prosecution, litigation in the Federal and State Courts, licensing, United States International Trade Commission proceedings, and general client counseling. He has extensive patent interference experience, with particular expertise in biotechnology and pharmaceuticals.

Mr. Huntington has written and lectured on a wide range of legal topics both domestically and internationally.

He was the President of Fédération Internationale des Conseils en Propriété Industrielle from 2006 to 2009. Prior to that he was the Chair of CET Group 8 (Traditional Knowledge, Genetic Resources, and Folklore), and is currently the Convenor of FICPI's Advisory Council and the President of the Professional Excellence Commission (PEC), the FICPI Commission responsible for studying and making recommendations regarding matters of professional practice, e.g., professional standards and best practices, professional developments, etc. He is also a member of the American Bar Association, the American Intellectual Property Law Association, the Intellectual Property Owners, the Federal Circuit Bar Association, ASIPI, and AIPPI.

He earned his J.D. in 1976 from The National Law Center at The George Washington University, and his B.S. in Chemistry in 1972 from Indiana University. He is registered to practice before the United States Patent and Trademark Office, and is admitted to the bars of the District of Columbia, Virginia and Massachusetts, and the Court of Appeals for the Federal Circuit.
